# LETTER FROM THE BOARD CHAIR AND CEO

This year in Girl Scouts brought out the Go-getter, Innovator, Risk-taker and Leader in all of us—our girls, our volunteers, our staff team and our supporters. We enjoyed many wonderful successes and weathered our share of challenges too—all of which will only serve to strengthen our foundation as the premier leadership organization for girls.

Among the highlights of the year was the move to our new Administrative Headquarters in Lake Worth. This move was years in the making and marked the first time that our staff has been housed in a single location. We celebrated the move with an amazing grand opening and have hosted many meetings, trainings and programs on site during our first year of operation.

Our commitment to revitalizing outdoor programming and education came to life this year, and we welcomed more Girl Scouts on our properties and in programs with our partners than we have in almost a decade. We met hundreds of first time visitors to Camp during our NU2U sessions and We Heart Welaka. Local Girl Scouts snorkeled with scientists, held Water Wars, and studied animal habitats and behavior. Girls and adults alike loved the expanded program offerings and have already told us they want even more.

After solid membership growth last year, this was an area of challenge for us this year. Hurricane Irma made landfall during prime recruitment season and despite our best efforts to recover, we saw girl membership decline ten percent. We are working diligently and strategically to reverse this trend over the next few years and be strongly positioned for growth well into the future.

Despite membership challenges, the community proved once again that Girl Scouts and Girl Scout Cookies are an irresistible combination. We set a new Council record when we surpassed 1.6 million boxes sold—and troop proceeds topped \$1.1 million. Cookies for the Military also exceeded all expectations, with more than 65,000 boxes donated.

None of this would be possible without the unwavering commitment of our most powerful and valuable resource—our volunteers. The collective impact that you have on the lives of girls each and every day cannot be easily measured, but is greatly appreciated and admired. And to our Girl Scout families—a heartfelt thank you for trusting us to help shape your girls and for giving us a front row seat to everything amazing they will become.

Sincerely,

Lorna Brown-Burton, Board Chair

Lisa Y. Johnson, Chief Executive Officer

# BUILDING OUR HOME

In January 2015, after extensive research and careful consideration, the Girl Scouts of Southeast Florida Long Range Property Planning Task Group made several recommendations regarding Council properties. These recommendations were accepted by our Board of Directors in February 2015 and presented to our membership at the April 2015 Annual Council Meeting. One of the key elements of the plan was the consolidation of offices to one centrally located Girl Scouts of Southeast Florida Administrative Headquarters.

After many months of looking, we ultimately purchased a building in Lake Worth in May 2017 that met all of our requirements in terms of size, age, geographic location and accessibility to a major highway. We spent six months renovating the space to make it a home that can truly represent GSSEF and provide one office for our team. The work was completed in December 2017.

On January 2, 2018, our staff officially moved into the new GSSEF Administrative Headquarters, and on February 17, 2018 we held a ribbon cutting and grand opening celebration for our members and the community. With our staff and volunteers working hand in hand, we are excited to be in a place that will allow us to make history together—serving more girls, engaging more adults, raising more money, and making the world a better place.

GO-GETTER

I'm a **Go-getter**  
because when I  
set my mind to  
do something,  
I keep on going  
at it until I get it.

## HELPING G.I.R.L.S

We know that not all girls have the means to join Girl Scouts, but those families have the same dreams and aspirations for their daughters that we all do. Girl Scouts of Southeast Florida is committed to securing the necessary funding Girl Scouts needs to provide the type of leadership experience and life skills that girls in our community need and deserve. In 2017-2018, Girl Scouts of Southeast Florida awarded **\$79,193 in Financial Assistance.**

# WHY GIRL SCOUTS?

Simply put, Girl Scouting works. It is the best experience for girls in the world because it is girl-led. Girl Scouts of Southeast Florida is more committed than ever to ensuring that girls take their rightful place as leaders in their communities, their country, and the world. For us, girls are not an afterthought. Everything we do is designed with girls, by girls, and for girls. We are girl experts, and we work every day to help girls develop courage, confidence, and character so that they will make the world a better place.

Offering hands-on, girl-led, girl-centered learning in STEM, the outdoors and entrepreneurship, and providing girls with the opportunity to develop invaluable life skills, Girl Scouts helps all girls take the lead early and often. The inclusive, all-female environment of a Girl Scout troop creates a safe space where girls can try new things, develop a range of skills, take on leadership roles, and just be themselves.

## Looker: A New Data Analytics Tool Launched

With the goal of providing more effective support to Council staff and Service Unit volunteers, access to Looker, a new online membership reporting tool was introduced in the summer of 2018. Looker replaced previous systems for sharing Service Unit and Troop information, allowing volunteers to take advantage of having the information when it is needed in near real-time instead of receiving emailed reports from GSUSA.

I'm an **Innovator** because I like to think outside the box when it comes to school work and other activities. I like to be creative when thinking of things to do with my friends and with helping other girls.

Linda

# RECOGNIZING OUR VOLUNTEERS

Our volunteers introduce girls to new experiences that show them they're capable of more than they ever imagined. They lead by example, being a mentor, cheerleader and role model for girls throughout their time as a Girl Scout. They help bring out the G.I.R.L. (Go-getter, Innovator, Risk-taker and Leader) in every girl, and find it in themselves along the way. Volunteers help prepare girls for a lifetime of leadership and are the mentors they need along the way.

## Giving Back Through Community Service

Community service is one of the core elements of the Girl Scout mission – to make the world a better place. Each year, hundreds of troops and thousands of girls embrace what it means to be a G.I.R.L. and use that power to make a difference in their local community.

## Cozy Feets and Covered Seats

In the month of October 2017, Service Units, Troops and individual girls collected new socks, underwear and diapers that were donated to various local organizations. A total of **5,828** items were collected by **965** girls.

## Drive the Food

In partnership with Living Hungry on April 28, 2018, more than **2,000** Girl Scouts picked up just over **28,000** boxes of food from two distribution locations in Palm Beach and Broward counties. Girls distributed boxes of non-perishable food to food insecure schools, afterschool programs, senior centers, churches and food banks throughout our six county area. It was as far reaching as Venezuela.

*“This year the girls really enjoyed Food Packing for Haiti. They had their own table and were experienced from doing the event the year before. They packed a LOT of meals and were very proud of their efforts.”* – Troop 20320

I'm a **Risk-taker** because I like to try new things even if I'm scared to do it at first. Some of my favorite things to do are skateboarding and archery.

Participants

## **Movie Mania**

Held November 21, 2017 at Cinepolis Movie Theater in Deerfield Beach. Girls enjoyed a heroic night making new friends and enjoying a variety of movies. Girl Scouts came together in support of the Veteran's Coalition by donating socks, toiletries, large print puzzle books and decks of cards, and other items for our veterans in need.

# 190

Participants

## **Cookie Luau**

Held January 13, 2018 in Juno Beach and Dania Beach. Girls tasted all 8 cookie varieties, brainstormed marketing ideas and learned about financial literacy and goal setting to create a successful cookie sale.

# 2,013

Participants

## **Mall Madness**

Held February 24, 2018 at the Pembroke Lakes Mall. Girl participated in a variety of activities including self defense, a scavenger hunt and STEM activities like robotics and slime making. Attendees also participated in three service projects. Over 250 backpacks were collected for the Marjory Stoneman Douglas backpack drive. Additionally, attendees signed a banner of support for the students and faculty of the school. Girls made cards for the elderly and stuffed animals were donated for use in shoe boxes for Operation Christmas Child.

## **Fall into Girl Scouting**

Held September 22, 2018 at the GSSEF Headquarters. At this *all things Girl Scout* program, girls sang songs, made SWAPS, learned about Juliette Gordon Low and Girl Scout History. A sold out crowd also learned about leadership and the Girl Scout Bronze, Silver and Gold Awards and older girl travel opportunities like Destinations, plus got a taste of the yummy treats from the Fall Product Sale Program.

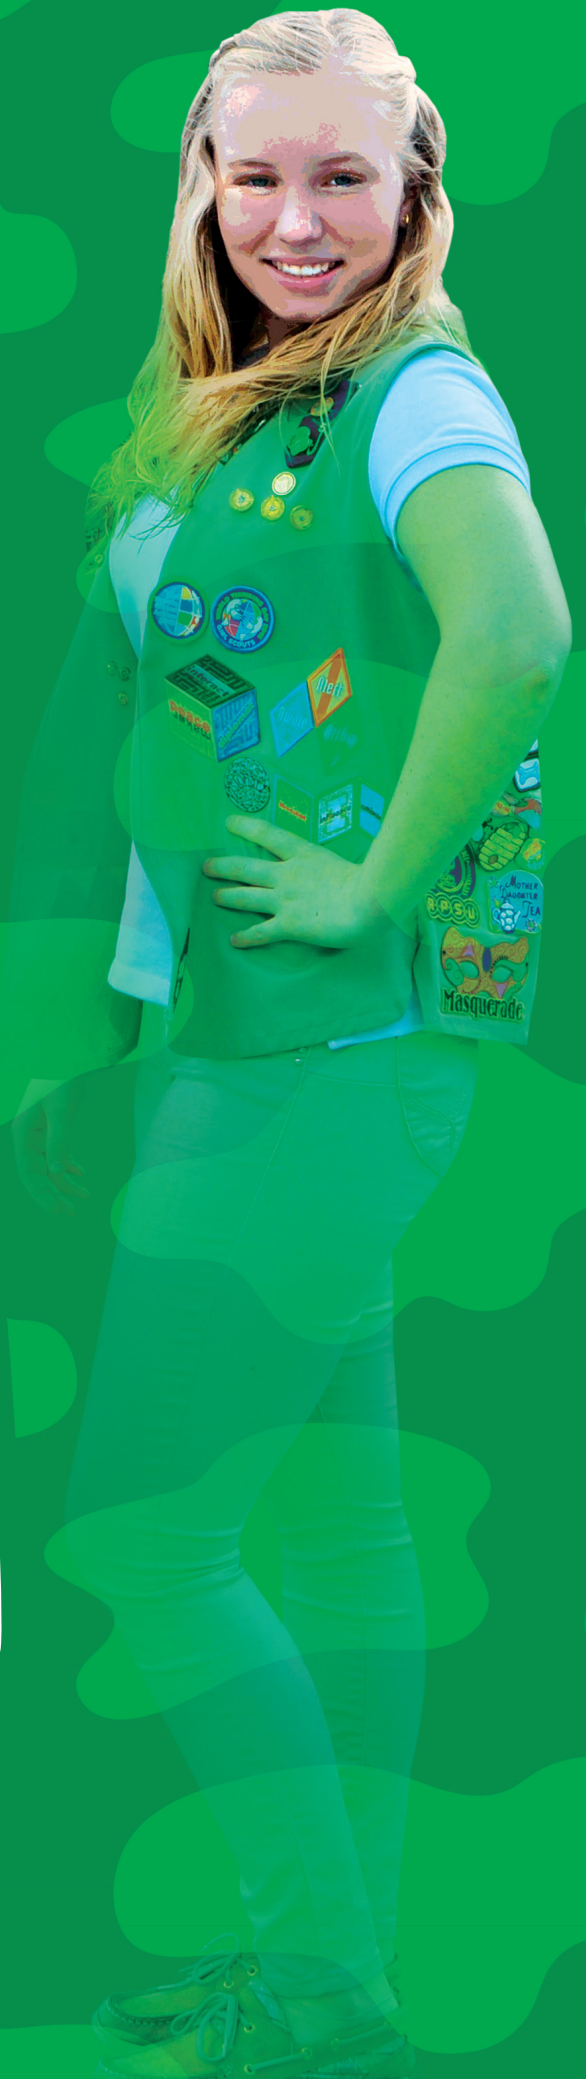

I'm a **Leader**

because I've taken on many leadership positions at school especially when it comes to group projects. I keep everyone on deadline and make sure we all have a part in being successful.

# REVITALIZATION OF OUTDOOR PROGRAMMING

Last year, Girl Scouts of Southeast Florida made a commitment to the revitalization of our outdoor program offerings. Research shows that when girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally, and intellectually. With two beautiful camp properties and lots of green and blue space in our geography, we created a number of new programs to get girls outdoors.

## ***NEW This Year:***

Girls got to explore our beautiful blue waters when we partnered with the Coral Restoration Foundation for Snorkeling with Scientists.

At SCAT – Sleuthing Critters and Tracks, girls got to learn about the behavior and habits of animals at camp by studying what they leave behind.

Camp Welaka fans got to spend the day learning about what makes that camp property special during We Heart Welaka.

Girls and adults who were camping novices benefitted from camping with the pros at NU2U.

Welaka Wibit Water Wars welcomed girls to Camp Welaka for a day of wet, water activities with the opportunity to tryout the brand new Wibit floating obstacle course.

Seventy-nine volunteers got Troop Camp Trained this year. The TCT course was revised in the summer of 2018 by a group of volunteers and TCT Trainers. The first revised class was conducted September 29, 2018 with positive reviews.

### *A Closer Look at A Gold Award Project*

Marissa's project was creating a sustainable structure, as an educational tool, teaching generations of students about hydrobiology and the many benefits of Aquaponics. Marissa built a sustainable Aquaponics unit that she donated to her high school which has already incorporated it into their science curriculum. Aquaponics is a water-based biological ecosystem that incorporates both plants and fish with a frame, pump and pipe system that allows plants to grow in the circulating fish water. The unit is self-sufficient, produce is organic, and it provides more food per square foot than any other farming method. Marissa also worked with the Technology Student Association, who are using it to conduct water-based agriculture research. Marissa is currently a freshman at Cornell University.

# A RECORD SETTING COOKIE SALE

The 2018 Cookie Sale was a record setting year. More than **6,300 girls** sold a **whopping 1,609,980** boxes of Girl Scout Cookies earning more than **\$1.17 million dollars** in proceeds. This is the largest quantity of cookies ever sold at Girl Scouts of Southeast Florida and a **1.5% increase** from last year! Girls then turned those dollars into amazing experiences, once in a lifetime trips and fun-filled troop adventures. Many of them also reinvested what they earned right back into their local community. Troop 10409 went shopping at Winn Dixie with a portion of their cookie profits and they donated the food to Plantation United Methodist's Food Pantry, as a gesture of gratitude for the church allowing them to hold their troop meetings at their facility for free. Troop 20592 used the bulk of their cookie sale proceeds to purchase **new bedding** for all **24 children** living in the cottages at Place of Hope in Palm Beach Gardens. They also purchased the contents of **12 Blessings Bags** which contain shampoo, conditioner, body wash, toothbrush and toothpaste, shower puff, a blanket and a book. These bags are assembled at Place of Hope and given to children entering the foster system.

# GRANT HIGHLIGHTS

## Lawrence A. Sanders Foundation

Given primarily to organizations involved with education and human services and some funding for the arts, the Lawrence A. Sanders Foundation has been generously supporting Girl Scouts of Southeast Florida for 17 years. Their support for GSSEF exceeds \$192,000, all to help continue our very important mission as the premiere leadership organization for girls building courage, confidence, and character, who make the world a better place. Girl Scouts of Southeast Florida is so grateful for the ongoing support of the Lawrence A. Sanders Foundation.

## Broward Sheriff's Office Law Enforcement Trust Fund

Girl Scouts of Southeast Florida's Get Real! Program is a 30-week in-school program for at-risk girls at Lauderdale Lakes Middle School. Funding from the Broward Sheriff's Office Law Enforcement Trust Fund provided 50 girls the opportunity to participate in the program. This comprehensive program promotes literacy, character-building, self-esteem, and good decision making, with an emphasis on community service. Students, parents and teachers reported positive improvements in the students' lives and relational skills, engagement in school activities, and attitude toward school. Some remarkable comments include: "I learned how to get along with others," "... that we should care and protect others even if we don't know them," "I also learned that meeting new people isn't always a bad thing," and "I learned self-esteem."

In support of the program, parents stated: "It helped her stay focused more," "It helped her gain more confidence and focus more on her goals," "Helped with things at home," and "She has been stronger ever since she joined and more happy. Tuesday is her favorite day!"

# LIFETIME ACHIEVEMENT AWARD

Girl Scouts has a long and proud tradition of volunteer service; individuals who volunteer in dozens of capacities influencing the lives of thousands of girls each year.

Inspired by these volunteers, Girl Scouts of Southeast Florida introduced a new award in 2014 — the Lifetime Achievement Award. Its purpose is to recognize individuals who have made extraordinary contributions to the Girl Scout mission through consistent and far-reaching acts of volunteerism that has resulted in strengthening of the organization.

These extraordinary individual volunteers give, and give and give to the Girl Scouts - not hundreds of hours, but thousands of them. Not one group of girls—dozens and even hundreds of them. Not even a few years of consistent service, but decades of them. These individuals have given the Girl Scouts a lifetime, and Southeast Florida Girl Scouts are the beneficiaries of their tireless and unyielding commitment.

**Robert and Elisa Royall** with  
**Lisa Johnson** (middle)

Congratulations to **Robert and Elisa Royall**, the 2018 Lifetime Achievement Award recipients!

## IN MEMORIAM

**Gina Rose Montalto** was an extraordinary person; her smile lit up a room, her laughter was infectious and her warm heart invited new friends wherever she went. With a kind and generous spirit, Gina always lent a helping hand, and led a life full of joy and love. She was a talented artist, loved cooking, reading, playing sports and was a top student. As a lifelong Girl Scout, Gina used all of her many talents to make the world a better place.

As a Cadette Girl Scout from Troop 10581, Gina earned the Girl Scout Silver Award with her Troop. Gina was enormously proud of this accomplishment and as she began the ninth grade, she was actively exploring ideas for her future Girl Scout Gold Award.

Gina was a victim of the mass shooting at Marjory Stoneman Douglas High School in Parkland on February 14, 2018.

**GIRL SCOUTS BUILDS GIRLS OF COURAGE,  
CONFIDENCE AND CHARACTER, WHO MAKE  
THE WORLD A BETTER PLACE.**
