

CADETTE, SENIOR & AMBASSADOR

Service to Girl Scouting Bar Application (page 1 of 2)

Girl Scout Cadette, Seniors and Ambassadors who volunteer for 20 hours (minimum) to the Girl Scout organization are eligible to earn the **Service to Girl Scouting Bar**. Some ideas for volunteering include volunteering at a program for younger girls, volunteering at the council office, serving on an official council committee of task group, serving on a Service Unit event committee, and representing the council or Service Unit at a community event or ceremony.

There are three types of Service to Girl Scouting Bars that girls are eligible to receive:

- The Cadette Girl Scout Community Service Bar (Green with Red) 
- The Senior Girl Scout Community Service Bar (Green with Orange) 
- The Ambassador Girl Scout Community Service Bar (Green with Yellow) 

Follow these steps toward earning, applying, and acquiring the Service to Girl Scouting Bar:

1. Complete a minimum of 20 service hours. This does not include the training period.
2. Use this Time Log to record the volunteer hours.*
3. Obtain approval/authentication from the appropriate Girl Scouts contact/representative.
4. Obtain approval/authentication from the Troop Leader.**
5. Submit this entire application form to customer care@gssef.org.
6. Receive confirmation via email and...
7. Show the confirmation to a team member at either GSSEF Retail Store to purchase the Award.

* Girl Scouts who have earned the Service to Girl Scouting Bar may continue their service with the same Girl Scout group after bridging to Senior or Ambassador. Girls should begin a new Time Log for the new Grade Level.

**Parent signature is accepted, in lieu of Troop Leader, for individually registered member (IRM).
